# LEMONIESTA CLASS SKG

To beat the heat in the scorching summer, students of Pre-Primary Wing, enjoyed a refreshing lemonade party in the classroom on 18th May 2023.

Teachers demonstrated the process of making lemonade which the children learned nimbly. It gave them a hands-on experience of making a glass of lemonade in no time. Toddlers enjoyed this activity as they beat the heat. The idea behind this was to make the little ones understand the health benefits of drinking lemonade in summer.
